Notes:

1. All figures are domestic unless specified otherwise.
2. Average Spend calculations for domestic overnight visitors exclude spend at origin/commercial air.
3. Tourism spend from international markets at a regional level is estimated by Travel Alberta.
4. Availability of international tourism statistics at a regional level is limited. Please see the link to Travel Alberta's Industry Dashboards for air passenger data (domestic and international) into the two major airports of the province: [Air Passengers | Travel Alberta](#).
